

## § 63.2-612. Time limit on the receipt of TANF

Unless otherwise exempt, VIEW participants and their families may receive TANF financial assistance for a maximum of 24 months only, subject to § 63.2-613. VIEW participants and their families may receive TANF financial assistance, if otherwise eligible, after a subsequent period of 24 months. However, the 24-month period of ineligibility shall not apply when a child is removed from the parents' home as the result of a child protective services report or complaint as defined in regulations promulgated by the Board and is placed with a relative. In such cases, the relative with whom the child is placed shall be eligible to receive TANF financial assistance immediately and without waiting for the 24-month period of ineligibility to run.

The local department shall notify a VIEW participant and his family that his TANF financial assistance is scheduled to be terminated as provided in this section. Notice shall be given 60 days prior to such termination and shall inform the VIEW participant and his family of the exception regulations adopted by the Board and the procedure to be followed by the VIEW participant and his family if he believes that he is entitled to an extension of benefits.
